

HUNT EMBRACES: ACTIVITIES, RESOURCES & TRAINING

Hunt HEART Program

The **Hunt HEART Program** is designed to address the needs of our New Residents, Deployed Spouses, Recently Returned Deployed Spouses, those suffering a Family Crisis, or those needing to understand and access various resources available to them nationally, through military resources, and locally. This program is intended to assist those who need a little extra support. The HEART Program, which stands for **Hunt Embraces: Activities, Resources & Training**, provides services and educational training in the areas of navigating military life, how to access base resources, and activities for children and families.

The **Hunt HEART Program** is backed by a team of caring individuals whose goal is to make life a little bit easier and bring smiles to the faces of families facing challenging times.
