COMMUNITY NEWS

Happy February!

As we celebrate this month, let's honor the love, kindness, and connections that make our homes and neighborhoods special. May this month bring sweet moments with family, fun memories for your kids, and reasons to share a smile. Here's to spreading love, laughter, and community spirit!

MAINTENANCE TIPS

Winterize Your Home!

Cold weather is here, keep your home safe with these tips:

- Keep the heat on: Never turn it off or set it below 65°F, even if you're away for more than 24 hours.
- Use portable heaters safely: Keep them at least 3 feet from objects, never leave them unattended, avoid extension cords, place them on flat surfaces, keep away from children, and ensure they are equipped with auto shut-off.
- Let faucets drip: Open kitchen and bathroom faucets to allow both hot and cold water to drip and prevent pipes from freezing.
- Change your furnace filter: Submit a routine service request or visit the Self-Help Location with your filter size.
