FROM THE TEAM

Gabi Stark, Community Manager ★★★★★

"I love my job because of the people I get to work with every day. Being part of a supportive and dedicated team makes coming to work enjoyable and meaningful. What I appreciate most is the opportunity to help military families feel at home. Knowing that I play a part in making Little Rock Family Housing a welcoming and comfortable place for them means so much to me. I'm originally from the Midwest. Home is Nebraska and Iowa!"

MAINTENANCE TIPS

Spring is here! One helpful tip for energy efficiency is to set your HVAC unit to a set temperature without switching between AC and heat. This helps with electricity costs and lets you enjoy the nice weather.

If you need small items for maintaining or fixing your home, the Self-Help desk at the maintenance shop is open during office hours! Items that can be picked up can include, but are not limited to, air filters, light bulbs, and touch-up paint.

Don't forget to change your air filters! At a minimum, residents should change every 3 months. These are free and can be picked up from the maintenance shop or by placing a routine work order.
