### Thank you for making October our best month yet!

*October was a blast! Our most action packed month of the year brought us many new memories and fun times. Our CEL resident satisfaction survey received over 46% of participation from our residents and we gave away thousands of dollars in awesome prizes, and one month of free rent. We hosted our first ever Pet Palooza, a long with Breakfast On-The-Go, and our biggest even of the year, Fall Festival. We can't thank you enough for your participation and excitement throughout the month of October. Our residents are truly the best!*

## Are you getting our emails?

Communication between Hunt and our residents is extremely important, which is why we want to ensure you receive our emails. Email updates include important community announcements, resident events, and emergency alerts. If you are not receiving our emails and would like to be added to our email list, please contact the office and ask to speak with Jagur. Don't forget to notify the office anytime you have a change in contact information to ensure we stay connected.
