Our President's Message

I am pleased to announce that for the second year, Hunt Heroes Foundation, the non-profit organization founded by Hunt Military Communities, will be awarding scholarships to help enable the ongoing education of military members and their families. Last year we were able to help nine worthy students and awarded \$20,000. Because of the generous

donations we received this year, we are able to increase scholarship awards and recognize 12 recipients and award \$30,000 in scholarship grants in 2020. I encourage you to apply if you or a loved one meet any of the following criteria:

A high school senior or high school graduate or a current postsecondary undergraduate at an accredited two- or four-year college, university or vocational school or a trade school student; or

Planning to enroll in full-time undergraduate study at an accredited two- or four-year college, university, or vocational-technical school for the entire upcoming academic year.

For more information and to fill out an application, go to <https://www.scholarsapply.org/huntheroesscholarship/>

The deadline to submit a nomination is **3:00 p.m. Central Standard Time, February 21, 2020, or until 50 applications are received, whichever comes first.**

Best,

John Ehle
President

January Review

Thanks to everyone who participated in our LRFH Chili Cook Off on January 16th. We have some chili connoisseurs among us!

February Pet of the Month Feature

- Adopted from the Humane Society of Searcy
- Estimated to be five to six years old
- Akita's favorite activities are: "...playing with our eighteen-pound tom cat, walking, and running after a tennis balls."
- What makes your pet special to you? "I love her so much because she makes me feel safe on walks and hikes. I wish I could take her everywhere! While needy most of the time, she has plenty of grouchy old lady moments that crack us up! She made me love dogs, and I would not want to do life without her."
- Emily Clements (owner)
