# LITTLE ROCK INSIGHTS NEWS & STORIES

## PROUDLY SUPPORTING THE MONTH OF THE MILITARY CHILD

### Our President's Message

April is the Month of the Military Child and during this month especially, Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents

deployed for long periods, along with many other challenges military families face. We are proud to acknowledge and support the tremendous strength and resiliency children of our military families display. This year, for the first time, we are launching "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short blurb may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. Each selected Hunt Little Hero will act as "Hero for the day" at a special celebratory event at their local Hunt community in honor of Month of the Military Child.

Applicants can visit <https://www.huntmilitarycommunities.com/our-communities> to see whether they qualify and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Best,

A handwritten signature in blue ink.

## COVID-19 Message From HMC

We recognize this continues to be a very challenging time for all. We have received guidance that all U.S. residents have been asked to stay at home until the end of April to help stop the spread of COVID-19. We will continue to monitor and provide future guidance in every state.

Stabilizing this situation is taking longer than we all anticipated, but hopefully we can all take comfort knowing our grocery stores, pharmacies, and medical providers are there to assist us. Our service teams remain available to respond to urgent and emergency work requests, take care of the exterior maintenance and neighborhood projects, and stocking supplies for when we can resume regular operations. We will be adding back other services and opening amenity spaces as soon as it is safe to do so, and in accordance with CDC and WHO guidance. In the meantime, we are working on creative ways to continue Community Advisory Board meetings or hold resident events virtually!
