MOTHER'S DAY | MAY 10TH, 2020

Our President's Message

This Mother's Day will most certainly be unlike any before it. As the world, and our conditions, continue to change – one thing remains the same - the value we place on the mothers whose

sacrifices, commitment, and unconditional love enables families across the U.S. to thrive. On behalf of all of us at Hunt Military Communities, I'd like to give special recognition to those mothers who are deployed, on active duty, have children deployed, or are running military family households. Each of you are exceptional. For your families, you are the thread that ties it all together, and for the nation you are both the heart and the backbone. We are all grateful. Please join me in wishing every military mom out there a very special Mother's Day.

Best,

John Ehle
President

Routine Maintenance Request Protocol

As we continue to navigate COVID-19 our team remains committed to providing you and your family 5-star service. At this time, we are not responding to routine maintenance requests, as the health and safety of our residents and employees remains our top priority. However, we encourage all residents who have routine maintenance requests to submit those requests via the Resident Portal/App. All routine maintenance requests will be responded to in a timely manner once we have confirmed with health officials that it is safe to resume responding to those requests. Routine Maintenance requests requesting Self Help supplies will be delivered to your front door to ensure contact free delivery, and exterior pest control sprays are still being scheduled at this time. Please submit requests for Self Help supplies and exterior pest sprays via the Resident Portal/App. We appreciate your patience and understanding during these difficult times.

For assistance registering for the Rent Café Resident Portal/App, please call us at 501-983-9044 or email jagur.kleemann@huntcompanies.com
