

## Our President's Message

Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long

periods, along with the myriad other challenges military families face. We are proud to acknowledge and support the tremendous strength and resiliency children of our military families display. To recognize military children, we have launched our 2nd annual "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short caption may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. We will select the top three submissions and give a cash prize to each. Applicants can visit <https://learnmore.scholarsapply.org/huntheroesscholarship/> to see if they qualify, and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Best,  
John Ehle

## Spring Cleaning

Dogs are great to have around. They are loyal, loving, good company, and they are also a lot of responsibility. Residents Guidelines: only two animals are allowed; all animals must be registered with the Base Vet Clinic within seven days of arrival we do require a pet fee \$150.00 per pet please provide a picture as well as the pet addendum paper work for your file. (This can be emailed or you are able to find it on our website under current residents) No restricted breeds are allowed at any time to include dog sitting; dogs are required to be in a fenced-in yard and are not permitted to be attached to a "lead" and you must provide appropriate shelter, food and water at all times. Finally, no matter where you are, if your pet leaves a little "present" behind, it's your "gift" to clean up and dispose of.

### Lets Make A Difference

Landscaping Inspections will start back up March 03, 2021. This will provide everyone the proper opportunity to attend to violations and keep your community clean. Cleaning up your community is important to us and should be to you. The outside of your home is an immediate reflection of the inside of your home. We encourage you to follow these easy steps to tidy up: Remove newspapers from your driveway, pull away trash receptacles from the curbside and store them on the side or in the carport of the home. Speaking of carports clear the clutter as well as any furniture that is not patio furniture, trash moving boxes ect. Yard of the month will start this month who will be the next winner.

### Trash and Recycling Collection Schedule

**Monday: Bulk Items and Yard Waste**

**Tuesday: Household Trash**

**Thursday Mach 11th and 25<sup>th</sup>: Recycle**

In accordance with the Waste Management Collection schedule, a one-day delay for all Federal Holidays will be observed: please plan accordingly for the delays.

With warm weather here, avoid pest such as flies, ants or raccoons by bagging your household trash properly, cleaning out your receptacle each week and securing the lid of your receptacle. Also storing your receptacles away from the curb same day as the collection has been removed is a great way to show your pride in your home and community.
