

Our President's Message

As PSC season begins to wind down, I am reminded of the feelings that go along with moving to a new duty station, adjusting to new neighbors, taking on a new role, and trying to find a sense of connection and community. The unique challenges and sacrifices of military families inspires us to continually improve our service delivery at Hunt Military Communities.

During September we will have several community-wide focuses. The first is Suicide Prevention Month. This month we will be hosting several speakers and sharing important educational materials on this most important topic. On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families. The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in each of our communities. Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation. Thank you for allowing us the opportunity to serve you.

Score a Tailgate Touchdown

Football season is almost here, which means it's time for tailgate parties. If you have never tailgated before or are still new at the game, the experts at Tailgating.com have some great tips, including:

- Plan your menu and do the prep work a day or two before the game. Keep the menu simple.
- Make a list of the items you want to take along. Check off items as you pack
- Plan to arrive at least three hours before the game starts. Try to park next to a grassy area or at the end of the parking row so you will have more room.

If you are preparing food at the event, you will need: a portable grill and propane or charcoal, lighter fluid and lighter; grilling and serving utensils; towels and water for clean up; cutlery and bottle/can opener; napkins, plates, cups and eating utensils.

Pack two coolers-one for food and one for beverages. Freeze bottles of water and use them to keep items cool, then for drinking as the ice melts. Take plenty of trash bags, plus chairs and folding table.

Other items that will come in handy are: a first aid kit, jumper cables, rain gear, sunscreen, a flashlight, and entertainment such as a blue tooth speaker, football and Frisbee. Fly helium-filled balloons on long strings so friends can find you and have fun supporting your team!
